Bensenville Water Park

Group Outing Information

ARRIVAL AT THE WATER PARK

Groups will not be admitted to the pool earlier than 11:45A

- Have buses drop off campers off in spot marked by // // // // // on pool map.
- All buses must park on Wood St. marked by // // // // // on pool map – Buses are not allowed to park in Parking Lot.
- Upon arrival please send group liaison to managers office marked with a + on the facility map.
- A pool manager will then confirm with the group leader which area of the pool they will be their meeting place.
- Water park staff will then give the group a brief orientation to the rules and pool amenities.
- Immediately following the orientation, the water park staff will conduct swim tests for any participant that wants to use the deep end, water slide or deep well.

CAMP COVID PROCEDURES

- All Campers & Counselors will be temperature checked before entering Water Park.
- Patrons are to wear a mask at all times unless they are in the water or sunbathing in their designated area with the exception children under 2 and medical conditions.
- Hand sanitation stations will be placed throughout the facility.
- Individually wrapped masks will be available for resale at the front entrance.
- Water attractions will be rotated once every hour so during each 3/hr. time slot they will have the ability to use all of them.
- Social distancing marker will be placed on all stairs and walk ways to remind patrons to social distance.
- The sand pit will be closed for the season.
- Only managers and first aid staff will be allowed in the manager's office.
- Everyone will enter through the main entrance of the Water Park and exit through the gate by the manager's office.
- Signage will put up through-out water park detailing current Park District, IDPH, and CDC Guidelines.

SWIM TEST PROCEDURES

- The swim test will comprise of a 25-meter free style swim in the 6 ft area of the pool.
- The campers may not touch the bottom or the side of the pool during their swim.
- 3 students will be swim tested at a time.
- Once the swim is completed, they will be evaluated based on their level of completion.
- If a camper refuses to complete a swim test, they will automatically be given a red wristband until the test is complete.
 - GREEN- Good to Go! Swim tested and meets height requirements.
 - YELLOW-Swim tested, but under 42" in height and cannot use slides.
 - RED- Non-swimmer or below 42" must stay between 0 depth & 3ft chairs (see attached map) and cannot use slides or deep well.
- The aquatic manager will be maintaining an updated excel sheet that will identifies everyone who has been previously tested. Prior to the group's next visit, they will have the appropriate colored wristbands for the participants who previously completed a swim test
- If additional campers who have not yet been swim tested visit the parks, they will need to be added to the spreadsheet and tested at their next visit
- Outside food is not permitted but you may utilize the benches and camp drop off area to eat lunches.

DEPARTURE OF THE BENSENVILLE WATER PARK

- Group liaison will walk over to the Deer Grove Leisure Center (immediately east of the Water Park) to pay the remainder of the balance owed for the visit. If other arrangements need to be made please contact Todd Linder at tlinder@bvilleparks.org
- Have buses pick up campers in spot marked by // // // // // on pool map.
