

# Job Posting

## Pool Maintenance

### DESCRIPTION

Responsible for diligently cleaning and maintaining the pool and facility, enforcing Water Park rules, providing customer service and assisting in moving around deck furniture. Pool Maintenance staff will also assist with ground work such as weeding, garbage collection and cleanliness of the facilities. Reports to Facility Supervisor.

### DUTIES AND ESSENTIAL JOB FUNCTIONS

- Litter control inside and outside of the facility's fences
- Remove weeds from all areas within and around aquatic facilities
- Sweeping and debris removal on all concrete areas both inside and outside the facility
- Cleaning and maintenance to amenities located in and around the aquatic facility, including but not limited to the pavilions, offices, lockers, deck furniture, water fountains, floor, stalls and planter beds and boxes
- Providing necessary maintenance to the pool and deck areas surrounding the pool, including but not limited to vacuuming, dipping, skimming and drain cleaning
- Daily communication with management regarding activities at the facility
- Anticipate problems and take necessary steps to prevent or defuse problems in the aquatic facility
- Maintain accurate inventory of all cleaning and necessary supplies
- Daily monitoring of pool chemical and circulation levels
- Maintaining a clean and orderly chemical/pump room
- Inspect all equipment daily for safety hazards
- Complete larger projects during off season months
- Assist in special events put on by the Parks and Recreation Department. Clean and maintain splash pads and surrounding areas
- Maintain excellent customer service skills with guests
- Executing special events and programs hosted by the Bensenville Park District and the Bensenville Water Park & Splash Pad
- Additional tasks and responsibilities may be assigned at the discretion of the Facility Supervisor

### QUALIFICATIONS

- Applicants must be 16 years of age or older.
